

Travel directions for Fairview, Gulberwick

From the airport: Take the main road north towards Lerwick for about 20 miles. After Quarff look for signs for a right turn into Gulberwick. After turning right, follow the road down the hill, and continue on past the church on the right. Fairview is the first house on the right after the church.

From the Northlink Ferry Terminal in Lerwick: Turn left out of the ferry terminal, on to the road towards the town centre. At the roundabout adjacent to the Co-op (on your left) take the 2nd exit. Shortly after the roundabout, the road bears to the left and after 100 metres, at the next mini-roundabout, turn right. (North Lochside). Continue to the end of this road and, at the roundabout, take the 3rd exit (South Road, A970). Continue along this main road up the hill out of town. Just after the top of the hill and after a group of buildings on the left, look for a small sign pointing left for Gulberwick (the sign's on the right side of the road!). After turning left follow this road, which eventually descends steeply into Gulberwick. Fairview is on your left after the red phone box and before the church.
